What measures will we use to answer the following questions:

(1) Have you solved the problem?

Problem
(a) baseline
(b) Pilot
(c) Final

(3) Assess how the effort is going
(a) post checks
(b) milestones checks
(c) Action item checks,

What are Effective Measures:

(1) Should reflect improvement

(2) Related to problem statement

(3) How do you know we have accomplished our goal
